WORK EXPERIENCE:

Deloitte Consulting LLP, Chicago, IL | Business Technology Analyst

Sep 2016 – Present

- Support the implementation and delivery of two large IT development initiatives across multiple functional work threads by engaging daily with various stakeholders including business, IT, and execution leadership.
- Led the content creation and execution of two sessions of a three-day professional seminar for over 350 undergraduate students to increase awareness on career paths within the firm.
- Planned and executed the first Deloitte-sponsored startup competition at Northwestern University for over 20 undergraduate students to identify potential candidates for recruitment.

Cadaval & Solà-Morales, Barcelona, ESP | Architecture Studio Intern

Sep – Dec 2015

- Produced architectural models ranging from conceptual to final design to leverage as a tool for client meetings and to bolster the studio's portfolio diversity.
- Created a winning competition video entry for the Architecture Biennial in Venice by using Adobe Premier video editing software.
- Adapted to and worked efficiently with architects and studio managers in a fast-paced environment in Barcelona where Spanish was the primary language.

LEADERSHIP AND CAREER DEVELOPMENT EXPERIENCE:

La Unidad Latina, Lambda Upsilon Lambda Fraternity, Inc. | Chairman of the Board

May 2014 – Jun 2016

- Defined the new organization by structuring the Chapter's constitution, leadership roles, and mission.
- Implemented all-day college visitation programs to provide insight on the path to higher education for over 80 students from underrepresented Chicago public schools.

Management Leadership for Tomorrow | Career Preparation Fellow

Jul 2014 – Dec 2015

- Selected as one of 230 for an 18-month professional development program for high-achieving diverse talent and completed business case studies to hone analytical, quantitative, and communication skills.

ILEK on Ice, Stuttgart, GER | Workshop Participant

Sep 2015

- Collaborated with students from the Institute for Lightweight Structures and Conceptual Design in the design and physical fabrication of a concrete structure using traditional sketching, computer modeling, and innovative form finding techniques.

VOLUNTEER EXPERIENCE:

Global Architecture Brigades, Panama and Nicaragua | Brigader

Mar 2014 & 2015

- Worked with students from three universities in the construction of public health and agricultural infrastructure in order to enhance the living conditions of impoverished rural communities.
- Facilitated three dialogues and lectures in Spanish with community members and local students on the importance of the environment and education.

SKILLS AND INTERESTS:

- MS Office, MATLAB, Autodesk Revit Architecture, Rhinoceros, Sketch Up, Final Cut Pro X, Adobe Photoshop, Adobe Illustrator, Adobe Muse, HTML, CSS
- General interests include architecture, graphic design, Chicago sports, and helping with my family's small businesses.
